

Iowa Horse Council Annual Meeting

January 15th, 2022

Forages and Pasture Management

Dr. Peggy Auwerda
Equine Extension & Outreach Specialist
Iowa State University

Dr. Peggy M. Auwerda works in the Department of Animal Science at Iowa State University. Peggy received her M.S. and Ph.D. from the University of Illinois Champaign-Urbana in Non-Ruminant nutrition.

At ISU, she uses the horse to educate students in science, physiology, nutrition, reproduction, genetics, etc. Currently, she teaches Equine Science and Exercise Physiology of Animals. She has also taught Horse Show Management, Behavior Modification in the Horse, Equine Nutrition, Equine Systems Management, and Equine Reproduction. Dr. Auwerda has advised 1,000+ students. .

The equine extension and outreach program is interwoven with the teaching program. Industry experts help instruct both ANS classes and youth and adult extension programs. Youth programs provides educational material and competitive friendly programs to evaluate youth's knowledge of horses.

Over the years, Peggy Auwerda has owned & managed a small Quarter Horse breeding business and a horse boarding & training facility.
